## Church Vision statement

Buxton Community Church is called by God to be a worshipping community that hosts His presence in our worship, discipleship and mission. This means that in every area of life, as a family of God, we are called to be carriers of the good news of Jesus Christ. Our commitment is to see people transformed by the love of God in our community of Buxton through various means but always through prioritising God's presence in all that we do.

## Kid's Church

All children can join in the children's church happening in the Annexe on Sunday mornings after time together breaking bread in the service. All our children's workers have current DBS checks so your children can be left with them (please complete a registration form first) but if you feel more comfortable staying with them, please do.

Please note that only appointed children's workers and parents accompanying their children should be in the annexe whilst the children's work is on.

## Scripture for Month      2 Corinthians 5: 16, 17

At one time we thought of Christ merely from a human point of view. How differently we know him now! This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!

## The Father's Living Room (Prayer Room)

The Father's Living Room is a space to spend some time with God. There are prayer points around the room for you to engage with and enable you to focus your prayers. Or you can simply sit in His presence. On your left as you enter is the **Prayer Wall** - giving an opportunity to engage with God in a different way. The room will open again shortly.
